‘Patent Agent Training Program’

(For aspiring Patent Agents & Professionals)

19th & 20th November 2016

Why this training program?

With the renewed thrust on invention and innovation globally, there is a tremendous demand for people, knowledgeable in all aspects of patenting, **Patent Agents** are the professionals who have the expertise and authority to rightfully provide stronger protection to such innovations/inventions and help commercialize the same through licensing etc. There is therefore a surge in the need for qualified patent agents from industry as well as legal practice.

To be a qualified Patent Agent an individual has to pass the Patent Agent Examination conducted by the Patent Office, Govt. of India. This year said exam is scheduled on the 27th November 2016.

Objectives:

The objective of the IIPS training program is to groom patent agent aspirants in all aspects of patenting through our two-day intensive & interactive workshop. The program will be conducted by qualified patent agents and experts in their field. To facilitate the learning process the workshop will be spread over two days.

Eligibility:

Citizens of India having completed 21 years of age and possessing a degree in science, engineering or technology from any University established under law for the time being in force in the territory of India or possesses such other equivalent qualifications as the Central Government may specify in this behalf.

Last date for registration: 15th November 2016
